

Youth Media Specialist

The UR Youth Media specialist will serve as lead Designers / Animators / Video Editors for The Roots Community Health Center Youth Advisory Council (YAC) Video and Animation Special Projects. Youth Media specialists will transform the information provided by The Roots Community Health Center's Youth Advisory Council (YAC) into informative and youth-relevant visuals that are easy to process and understand. The Youth Media Specialist will have collaborative thinking sessions with other Youth Media Specialist and or UR Media staff. This is an excellent opportunity for youth to be leaders in their community and learn transferable skills for their professional development, including working on public campaigns that receive high viewership.

This position is a primarily virtual opportunity to increase youth's participation across Alameda and Santa Clara Counties.
